I want to extend a special word of thanks to all the teachers and support personnel for all that you do each day .- Hank Allen, Superintendent

The Cullman County DROP IN FOR SUCCESS program has certainly experienced success lately in the area of contributions. The Cullman Lions Club recently donated a generous contribution towards providing summer school scholarships for several of its students. In addition to the donation from the Lions Club, State Farm recently awarded the program a grant for \$100,000 for continuation of the program. The program serves 15-20 at-risk students. These students are afforded the opportunity for credit recovery as well as counseling services.

During the month of March, schools around the country celebrated Read- Across-America by reading *Green Eggs and Ham* by Dr. Seuss, and then took it a step further and served the highly anticipated meal of green eggs and ham in their cafeterias. In honor of the celebration, guest readers from all over the area visited local schools to read aloud to students and to share the joy of reading a good book.

Photo on left is Mrs. Bentley's kindergarten class at Hanceville Elementary.

Second photo (from left to right) back row: Sheila Kretzschmar, Jana Absher, Leann Smith, Holly Pirkle, Donna Moon, Hank Allen, and Kim Brown. Front row (left to right): Krystal Allbright and Susan Fulmer
Far right photo features Shelbie Olinger eating green eggs and ham at Welti School to celebrate the occasion.

A community-supported learning environment focused on the specific needs of each student
